

PRESS RELEASE

FEBRUARY 2020

We, PolyMerge GmbH, took over the business operations of BF Maschinen GmbH on 01/02/2020 as part of a succession plan.

As PolyMerge GmbH, we will continue running the business on the well-known business premises, **Wallensteinstrasse 5-7 in 82538 Geretsried**. We are offering the product and service portfolio of BF Maschinen GmbH in an unchanged manner. In addition, we will expand our activities in the area of plastic welding. PolyMerge GmbH is retaining all employees of BF Maschinen GmbH.

In accordance with our motto "**SIMPLY WELDING.**" we want to make working with us as easy as possible. Thus, we act as a technology-independent provider of machines for plastic welding. In addition to proven system technology, we also offer advice on the selection of the appropriate welding process and design support to improve weldability of your product. Through new partnerships, we will further expand and internationalize our sales and service activities.

THOMAS BREUER *right*
managing director
of BF Maschinen GmbH, will facilitate
the transition and will also be available
for questions.

MANUEL SIEBEN *left*
managing director of
PolyMerge GmbH, has a degree
in engineering and has been working
in this industry for many years.

**THEY ARE BOTH LOOKING
FORWARD TO A PROMISING
FUTURE!**
